PRODUCT DESCRIPTION

The Einhell PXC+ 18 V 3.0 Ah SEALED battery is part of the Power X-Change battery platform. The SEALED battery is jet-water and dust-protected according to IP57. The integrated short-circuit protection detects water contact and switches off the electronics. The battery can be used again after drying. The battery resists the memory effect and self-discharge. The ABS battery management system monitors parameters and ensures safety. The housing is robust against corrosion and impacts. A recessed grip makes it easier to remove from devices. Supplied without a charger.
