

Ref.: 534811

PUMPMASTER 60 - 80:1 RATIO GREASE PNEUMATIC PUMP, 185 KG DRUM WITH PNEUMATIC PUMP HOIST AND GRAVITY INDUCTOR PACKAGE

PM60 - 80:1 pump system with pump hoist and gravity follower plate for 185 kg drums. Includes pump 532 810 and hose connection kit Part No. 534 414. Includes drum retainers. Needs to be secured to the floor. Dimensions: 800 x 900 x 36 mm. PumpMaster 60 grease pumps mounted onto a gravity fed follower plate and an air operated pump hoist for use with 185 kg drums. The air operated pump hoist lifts and lowers the pump, making drums changes easier, faster and safer. The pump lower end is rigidly fixed to a follower plate with a single rubber lip. The weight of the pump, pump bracket and follower plate plus the atmospheric pressure push the assembly against the fluid eliminating channelling and air pocket, keeping lubricant free from contaminants, minimizing waste and aiding pump priming.

Technical data

Documentation

More information

Compatible fluids	Grease
Type	Pump Hoist Packages
Pump type	Pneumatic Piston Pumps
Components	532810, 391021, 534414

Kit components

Code	Product
391021	SINGLE POST AIR OPERATED PUMP HOIST WITH GRAVITY INDUCTOR FOR PM45 AND PM60 PISTON PUMPS, 185 KG DRUMS
532810	PNEUMATIC PISTON GREASE PUMP, PUMPMASTER 60, PM60 - 80:1, 185 KG (400LB) DRUMS
534414	CONNECTION KIT FOR GREASE PISTON PUMPS, PM45 AND PM60, SINGLE POST INDUCTOR

Models

Code	Description	Components
534811	Pump on 185 kg drum with pneumatic pump hoist and gravity inductor package	532810, 391021, 534414
534840	Pump on tank side mounted kit	532810, 534103, 950358, 753110
534821	Pump on 185 kg drum pneumatic automatic power ram inductor package	532820, 391000, 534413
534820	Pump on 50 kg drum kit	532820, 418017, 534103
534810	Pump on 185 kg drum kit	532810, 418026, 417009, 534103
534821.001	Pump on 185 kg drum pneumatic basic power ram inductor package	532820, 391004, 534413
