

Ref.: 534711

PUMPMASTER 45 - 70:1 RATIO GREASE PNEUMATIC PUMP, 185 KG DRUM WITH PNEUMATIC PUMP HOIST AND GRAVITY INDUCTOR PACKAGE

PM45 - 70:1 pump system with pump hoist and gravity follower plate for 185 kg drums. Includes pump 531 710 and hose connection kit Part No. 534 414. Includes drum retainers. Needs to be secured to the floor. Dimensions: 800 x 900 x 36 mm. PumpMaster 45 grease pumps mounted onto a gravity fed follower plate and an air operated pump hoist for use with 185 kg drums. The air operated pump hoist lifts and lowers the pump, making drums changes easier, faster and safer. The pump lower end is rigidly fixed to a follower plate with a single rubber lip. The weight of the pump, pump bracket and follower plate plus the atmospheric pressure push the assembly against the fluid eliminating channelling and air pocket, keeping lubricant free from contaminants, minimizing waste and aiding pump priming.

Technical data

Documentation

More information

Compatible fluids	Grease
Type	Pump Hoist Packages
Pump type	Pneumatic Piston Pumps
Components	531710, 391021, 534414

Kit components

Code	Product
391021	SINGLE POST AIR OPERATED PUMP HOIST WITH GRAVITY INDUCTOR FOR PM45 AND PM60 PISTON PUMPS, 185 KG DRUMS
531710	PNEUMATIC PISTON GREASE PUMP, PUMPMASTER 45, PM45 - 70:1, 185 KG (400LB) DRUMS
534414	CONNECTION KIT FOR GREASE PISTON PUMPS, PM45 AND PM60, SINGLE POST INDUCTOR

Models

Code	Description	Components
534711	Pump on 185 kg drum with pneumatic pump hoist and gravity inductor package	531710, 391021, 534414
534741	Pump on tank horizontal mounted kit	531730, 534103, 950358
534740	Pump on tank side mounted kit	531710, 534103, 950358, 753110
534721	Pump on 185 kg drum pneumatic automatic power ram inductor package	531720, 391000, 534413
534720	Pump on 50 kg drum kit	531720, 418017, 534103
534710	Pump on 185 kg drum kit	531710, 418026, 417009, 534103
534721.001	Pump on 185 kg drum pneumatic basic power ram inductor package	531720, 391004, 534413
