

Bike Detailer

Description

For quick paintwork care for intermediate use. Removes light soiling such as dust or water spots and leaves a nice shine. Seals smooth paintwork for several weeks and provides an excellent water repellent effect as well as long-lasting protection against aggressive environmental influences. Maintains the cleaning finish for an extended period and reduces the adhesion of dirt. With a pleasantly fruity scent.

Our information is based on thorough research and may be considered reliable, although not legally binding.

Properties

- innovative protection formula
- excellent water repellent effect
- removes light soiling
- simple to use
- protects against aggressive environmental influences
- prevents immediate re-contamination

Technical data

Form	liquid
Color / appearance	yellow
Odor	lemon
pH value	8,5
Density	0,99 g/cm ³
Shelf life in original sealed container	24 months

Areas of application

For all smooth paintwork of bicycles, e-bikes and pedelecs made of aluminum, carbon, steel as well as bikes made of titanium. Can also be used on smooth plastic surfaces, rims, handlebars, etc.

Comment

Important: Do not spray onto hot surfaces or use in direct sunlight. Do not apply to pedals, handlebar grips, brake levers and discs.

Application

Shake well before use. Then spray evenly onto the previously cleaned surface and wipe off with a microfiber cloth. Continuously turn the cloth in the process. Can also be sprayed and applied on slightly wet paint. Do not let dry.
