

FEATURES

- High quality oil filter cups for professionals.
- These cup-type filters are made of 7 and 16 gauge construction and can withstand up to 115Nm (85lb.ft) of Torque.
- Cup-type design grips like socket, this minimises the possibility of crushing filters.
- Use with 3/8" or 1/2" drive ratchets.
- Coated with electro-black oxide finish for rust protection.
