

A lot of power for less money: thanks to its robust steel frame, the HD 5/11 Cage Classic high-pressure cleaner has been designed for even the harshest conditions. Easy to transport thanks to the ergonomic handle, the long-lasting machine is suitable for stationary and, in particular, mobile applications. It can be mounted on the floor or on the wall. And finally, the HD 5/11 Cage Classic naturally also impresses with its cleaning power (110 bar pressure).

Features

Compact design with high mobility

- Very compact construction style and minimal weight.
- Comfortable handle for simple carrying.
- Space-saving storage and transport

Specifications

- Supply voltage (Ph/V/Hz) 1 / 230 / 50
- Flow rate (l/h) 500
- Inlet temperature (°C) 60
- Working pressure (bar/MPa) 110 / 11
- Max. pressure (bar/MPa) 160 / 16
- Connected load (kW) 2,2
- Weight (with accessories) (kg) 21.3
- Weight incl. packaging (kg) 23.2
- Dimensions (L x W x H) (mm) 475 x 335 x 340
