

The extremely quiet vacuum cleaner combines a high level of ergonomic comfort thanks to integrated hose, cable and accessory holders, as well as 2 parking positions for the floor nozzle with excellent suction power and enormous working radius.

Features

Flexible cable

Particularly flexible, sturdy, long-lasting Glideflex power cable. It can be wound around the top of the machine or stored on the cable hook.

Integrated accessory storage

The full integration of the accessories on the rear enables the user to quickly access them in any cleaning situation.

Operation using foot switch

No tedious bending down during everyday work.

Main filter basket

Large permanent main filter made from washable nylon for optimum dust separation. For use with or without filter bag.
