- **Easy to use menu system**
  Making it intuitive to use removing any hassle when working
- **External power supply for diagnostics/showroom**

Suitable for

Specifications

Product Code	RSCP20
Voltage Output	6V / 12V
Voltage Input	220-240V AC
Max Current	20A
Max Jump Start Current	80A
Battery Support	13.6V @ 20A
Packaging Dimensions	L230 x W160 x H85mm
Pack Weight	1.9kg
Case Quantity	4 x 1
Barcode	5055175253039
