PRODUCT DESCRIPTION

The Einhell PXC+ 18 V 4.0 Ah SEALED battery is part of the Power X-Change battery platform. The SEALED battery is jet-water protected and dustproof in accordance with IP57. The integrated short-circuit protection detects contact with water and switches off the electronics. The battery can be used again once it has dried. The battery resists the memory effect and self-discharge. The ABS battery management system monitors parameters and ensures safety. The housing is robust against corrosion and impacts. A recessed grip makes it easier to remove from devices. Charger not included.
