

FEATURES

- High efficiency Air End
- Designed for high ambient temperatures
- Mineral Coolant
- German Technology
- Leak proof rigid steel oil piping
- IP54 Permanent Magnet synchronous motor
- Generously dimensioned after cooler
- Direct Driven
- CE Certified Separator Vessel and Fully Certified Pressure Vessel
- Fully build-in filtration and auto drain
- One (1) year warranty on Machine (Mechanical only)
- Two (2) year warranty on Air End
