- 2-finger trigger for comfortable working
- Automatic shut-off after 30 minute of inactivity
- Storage: Stable base station even without inserted battery
- Including 3 x glue stick (Ø 7 mm)
- Battery and charger not included (available separately)

## PRODUCT DESCRIPTION

The Einhell cordless hot glue gun TE-CG 18/7 Li-Solo is a compact aid for crafts or decoration projects. As part of the Power X-Change battery platform, it can be used in combination with any PXC battery or charger. After a heating time of just 165 seconds, the glue gun reaches the working temperature of max. 180 °C - ideal for precisely gluing wood, plastic, cardboard and other materials. An LED indicator shows the heating status. For clean work, any drips of adhesive are collected safely in the heat-resistant drip tray of the base station. The base station is automatically switched off after approx. 30 minutes of inactivity. Delivery incl. 3 x glue stick (Ø 7 mm), without battery or charger.
