PRODUCT DESCRIPTION

The Einhell 18V 4.0 Ah PXC Starter Kit is the ideal basis for building up the PXC range in your home. The ABS process-controlled active battery management system ensures maximum safety, optimum tool performance, maximum operating time and a maximum service life. The high-quality rechargeable battery resists the memory effect and self-discharge. The battery charger makes short charging times, optimum charging and maximum safety possible thanks to intelligent charging management. There is a refresh mode for reactivating exhaustively discharged batteries.
